

A E G

Diploma Level 1

Study Programme Overview

If you're good with your hands, and making things gives you a sense of satisfaction, then a career in the construction industry could be just what you need to showcase your talents.

Plastering offers plenty of scope for working on a range of different projects, with the chance of one day becoming your own boss. On this programme you'll explore both practical and theoretical aspects of the trade.

This programme will give you a general overview of the plastering trade. On completion you will be able to progress to further study, then Higher Education or employment.

Engaging with employers is also an integral part of this programme – we'll seek to ensure that you have opportunities to gain real-world experience of your chosen sector.

What You'll Learn

Topics on your Study Programme will include:

- Health, Safety and Welfare in Construction
- Knowledge of Technical Information, Quantities and Communication with Others
- Knowledge of Construction Industry
- Prepare Background Surface Form Sand Q M

Entry Requirements

English & Maths GCSEs at grade 2 or above.

How will I be Assessed?

You will be assessed by practical skill-based tasks and written assignments.

Pre-Professionals Programme

Working with your Learning Development Mentor (LDM), Tutors and Careers Coaches, you'll gain an insight and understanding of your sector, helping you to make important decisions about your future, whether that's university or employment.

Thanks to our partnership with the University of Bolton, you'll also benefit from everything the University has to offer, with a range of opportunities to build additional skills and experiences, giving you everything you need to become a **FUTURE PLASTERER**, in whichever field you choose!

Exposure to employers is also an integral part of this programme – we'll seek to ensure that you have opportunities to gain real-world experience of your sector, giving you the qualifications and experience to progress!

Supporting Your Learning and Wellbeing

We have a range of dedicated support and wellbeing services including **FREE** travel; **FREE** breakfast; dedicated Learning Development Mentors (LDMs); impartial advice and guidance; dedicated one-to-one support for learners with additional needs; and support with the cost of College, plus much more.

Tutorial and personal development, such as healthy living, volunteering and citizenship skills
